**Our Customers' Privacy Is Important to Us**

We are committed to providing individuals covered by our accident and health insurance policies (our customers) with top-notch products backed by top-quality customer service. While information is fundamental to our ability to do this, we recognize the great importance of keeping our customer's personal information secure. Accordingly, India Network Services has established practices and procedures with respect to the collection and sharing of our current and former customer's non-public personal financial information.

**Information Collection**

We may collect information about our customers from enrollment forms, applications, transactions, and other interactions with us, as well as from credit reporting agencies and other third parties. We will collect and disclose this information only in accordance with applicable laws or regulations or in response to our customer's request for a product or service from us. The information we gather helps us identify who our customers are, manage our relationship with them, and develop products and services that meet their needs.

**Information Sharing**

We DO NOT share customer information with third parties under any circumstances. Because we do not share customer information in anyway, there is no need for an opt-out process in our privacy procedures.

**Information Protection**

We maintain physical, electronic, and procedural safeguards designed to protect customer information and permit only authorized personnel who are trained in the proper handling of customer information, to have access to that information.

**Our Customers Can Depend on Us**

We are committed to maintaining our trusted relationship with our customers. We consider it our privilege to serve our customer's insurance and financial needs, and we value the trust they have placed in us. Our customer's privacy is a top priority with us and thus we will continue to monitor our privacy practices in order to protect and respect that privacy and will comply with state privacy.
